

SANTA FE, TEXAS VICTIMS FOUND ALIVE AND WELL BY FROG HAIR

There's a couple of folks on this page I'm not 100% sure of, but **this** picture with three of the "victims" makes it clear they're connected and ALIVE (and they're in Georgia; **not** Texas).

My favorite of this bunch is "Ann Perkins" because she's a big ol' **Elvis** fan like me! **TCB, Thelma!!**
