

“Melody Ann Bush” *(was her real married name, but she’s going by an assumed name now)*

aka Victim of Serial Killer known as Robert Charles Brown (Flatonia, Texas)

MEDIA-RELEASED PHOTO

This is one of the odd ones I've located and—so far—I've located FOUR odd ones. Melody is someone I once knew (by her maiden name) back in the late '70s. She may not remember me if she sees this, but if you *do* see this, Mel, Wendy wants to talk to you. Contact me at the email address at the bottom of my webpage and I'll hook y'all up.

And you look great!
